

Dear Friends and Family,

Our family wants to wish all of you a very Merry Christmas. Remember with us that JESUS is indeed the REASON for the SEASON.

We arrived in the US on December 1 and have been involved with a different church each weekend to share what is going on with our ministry. We have spent much time with our biker friends and some time with our family. For Christmas we (all five of us) are in Texas with Naomi and Stephen. We hope and pray all of you will be enjoying your Christmas time with family and friends. Will be with some of Carl's extended family later in the month and the rest next month. Still forming plans to see as many of Ronalyn's family as we can work in.

At this writing, our Filipino Family has already shot off the Christmas Eve fire works and are most likely sleeping. Wish we could share Christmas with them also, but Heaven will be great! We will have no more ocean to divide us from our various family members and will celebrate JESUS together, forever!

We have booked tickets for return to the PI on January 31. Our remaining weekends are to be spent with different groups of believers as we share more about our mission work. The weeks are filling up with visiting with people so we can share more about our

work.
Year.

Have a great Christmas and a blessed New

Carl, Ronalyn, Nathan, Rachel and Caleb along with Naomi and Stephen
